QUALITY POLICY

Advy Chemical Private Limited is committed to achieve and exceed the expectations of Customers, Regulators and other Interested Parties by:

- Designing & Developing, Manufacturing and Distributing best Quality Reagents, Diagnostic Kits and Life Science products.
- Complying with the intended and unintended requirements of National and International regulatory and statutory bodies within the scope of our business.
- Continuously improve the established Quality Management System and implement the approach of "Right First Time" to produce Quality products which are safe and effective.
- Establishing a mature Quality Culture by recognizing teamwork, engagement and ownership.
- Communicating Quality Policy to all employees and stakeholders through various communication channels.

**REMEMBER, EACH ONE OF US HAS POWER TO INFLUENCE QUALITY.
LET THE INFLUENCE BE POSITIVE.**
